

2018 Home Energy Improvement Program Individual Improvements Terms and Conditions

Single Family and Multifamily Home Energy Assessment Terms and Conditions

A Program Contractor will use state-of-the-art diagnostic equipment and software to perform a comprehensive Home Energy Assessment(s) to identify potential savings opportunities and recommend specific energy saving improvements that can be made in the unit. Certain improvements may be eligible for Georgia Power rebates.

By signing these Terms and Conditions, the Home Energy Assessment Program Contractor and Property Owner or Homeowner acknowledge and agree that Georgia Power's liability and responsibility in connection with any rebate program shall be strictly limited to the making of certain rebate payments to eligible applicants, and that Georgia Power is not making, will not be providing and specifically disclaims any representations, warranties, covenants or guaranties whatsoever, expressed or implied, in connection with the assessment, any equipment installed or provided, or other aspects of the Home Energy Improvement Program itself, including, without limitation, those regarding merchantability or fitness.

Warranties with respect to any equipment are strictly manufacturer's warranties, and applicant shall not make, nor have the right to make, any claims against Georgia Power relating to any such warranty. Georgia Power shall in no way be liable or responsible for any equipment installed or any act or omission of any other entity or individual, including, without limitation, any contractor, technician or other service provider.

All Home Energy Assessment rebate applications must receive pre-qualification and be submitted within 60 days of testing or invoice date. For Multifamily properties, a Property Owner is eligible for one Home Energy Assessment rebate per unit per calendar year. For single family properties, a Homeowner is eligible for one Home Energy Assessment rebate per calendar year. Be aware that if your Home Energy Assessment Program Contractor does not have a pre-qualification, a Program Allocation or an approved Program Reservation from Georgia Power at time of rebate application submission, Georgia Power will not honor the associated rebate application.

NOTE: Home Energy Assessments are valid for one calendar year from date of Assessment.

Homeowner or Property Owner's Signature: _____ Date: _____

Home Energy Assessment Program Contractor's Signature: _____ Date: _____
